

The Brookline DPW has partnered with the Great American Rain Barrel Company in Hyde Park, MA to offer rain barrels to residents at a discount to help conserve water and save money

Each UV protected polyethylene rain barrel is manufactured in the USA from a recycled shipping drum that stands 39" tall by 24" wide and weighs 20 lbs. empty with a wall thickness of 3/16", resulting in a rigid, heavy duty rain barrel that will last virtually forever. The barrel comes complete with overflow fittings, drain plug, screw on cover, and a threaded spigot with a choice of two ports to use with either a watering can or a garden hose. The rain barrel arrives with simple instructions for fast and easy installation. Brookline is offering the Great American Rain Barrel in three colors; Forest Green, Earth Brown or Nantucket Gray at the low cost of \$69 versus the retail price of \$119.
